For Full Paper

The full-length papers will be limited to maximum six A-4 pages (IEEE format) which will be considered for the publication in the conference proceedings after the thorough review. Please mail a soft copy of your original and unpublished manuscript in prescribed (.docx) format to **csconference@yuvakshetra.org** and also upload to paper submission link:
https://conference.yuvakshetra.org/

All papers submitted to the conference will be reviewed by the experts in relevant areas and reviews will be forwarded to the authors. ICACRI-2024 does not allow any form of plagiarism. The submitted papers are checked for the plagiarism. It is suggested to check your paper for plagiarism before the submission.

Conference Publications

All accepted and presented papers will be published in the conference proceedings with ISBN. Best amongst accepted papers will be sent to the **Scopus indexed Journal.** Those papers will be further reviewed by the journals. The paper will be considered for the publication in the journal after acceptance and fulfilment of the terms and conditions of the journal.An additional fee will be required for obtaining the Scopus Journal Publication.

Certificate and Proceedings

Participant will receive the certificate only after presenting the research paper in the conference. Participants will receive a soft copy of the Conference Certificate (mentioning Presenter/Listener), and Proceedings on their registered email address after the conference if participants require hard copy of the proceedings additional charges will be applied.

Resource Persons:

Dr. Prahlad Vadakkepat
Associate Professor,
National University of Singapore & Founder
Secretary of Federation of
Int. Robot-soccer Association.

Dr. R. Priya
HoD, Department of Computer Science,
Sree Narayana Guru College,
KG Chavadi, Coimbatore-105.

Important Dates

Abstract Submission Deadline-	15th January, 2024
Abstract Acceptance Notification-	17th January, 2024
Full paper Submission Deadline-	31st January 2024
Acceptance of Full Paper and Registration-	7th February, 2024
Conference Date-	February 16th,17th &19th, 2024

Registration Details:

Category	Fees
International Participants	: Rs. 1000
International Listener	: Rs. 750
Indian Industrial Delegate/ Academician/ Research Scholar	: Rs. 750
UG/PG Student Authors/ Co-authors	: Rs. 500
Indian Listener	: Rs. 250

All the accepted paper(s) must be registered by at least one of the author(s) in order to present it in the conference. The paper without registration will not be considered for the publication in the conference proceedings. Registration will be confirmed after receipt of registration fees in any of the following modes.

Electronic transfer of registration fees through NEFT/RTGS/Google Pay/Paytm to below mentioned bank account only.

Bank Details:

Name of the Bank	:	Canara Bank
Branch Name	:	Kalluvazhi
Account Holder Name	:	Raji N
Account Number	:	1587101014593
IFSC Code	:	CNRB0001587

Registration:

All Authors/Participants must register through this link on or before 14th January 2024.

ICACRI
INTERNATIONAL CONFERENCE FOR ADVANCED COMPUTATIONAL RESEARCH AND INNOVATIONS

About College

Yuvakshetra Institute of Management Studies is a college affiliated to the University of Calicut and is undertaken by Diocese of Palakkad. We promote Integral development of each student, catering to individual difference and equip them to tackle hurdles of life with confidence and tranquility, and definite goals. We aim at providing quality and integral education, promoting an ambience for human and academic excellence with an openness to learn, research and development of professional skills.

About Department

The Department of Computer Science, of Yuvakshetra College has been continuously engaged in planning and implementing various kinds of educational development activities for the pursuit of academic excellence with an eye towards the needs of the society, industries and the nation. Reflecting our commitment to learner improvement, the Department of Computer Science encourages students to be creative, analytical and critical in the questioning of ideas, pursuit of knowledge and exploration of new interests. We support students to achieve the very best outcomes, that they may receive the highest quality of academic education, the broadest student experience and the right extracurricular opportunities to find their place in the world.

About Conference

International Conference for Advanced Computational Research and Innovations (ICACRI-2024), set to take place on February 16th, 17th, and 19th, 2024, in Yuvakshetra Institute of Management Studies, Ezhakkad, Palakkad, Kerala, is to establish a collaborative platform for global academics, researchers, and educators. Participate in a dynamic exchange of ideas and insights at the forefront of multidisciplinary computational research featuring advanced technologies. Together, let's explore transformative research that inspires and redefines the future of learning. The conference aims to facilitate the exchange of ground-breaking research, methodologies, and practices within various educational disciplines. ICACRI-2024 strives to promote dialogue, nurture interdisciplinary connections and explore emerging trends.

ICACRI
INTERNATIONAL CONFERENCE FOR ADVANCED COMPUTATIONAL RESEARCH AND INNOVATIONS

Call for Papers

The organizing committee of the conference invites researchers to send the paper on the below mentioned Conference topics but not limited to:

Computer Technology topics

- Artificial Neural Network and Fuzzy System
- Soft Computing
- Generative AI
- Expert Systems
- Cloud Computing
- Machine Learning
- Deep Learning
- Information Retrieval, Natural Language Processing
- Robotics and its Automation
- Digital Image Processing and Pattern Recognition
- Data Warehousing, Data Mining and Web Mining
- Big Data Analytics
- Data Science
- IoT and its applications
- Embedded Systems and Computing
- Information Security System
- Ubiquitous Computing
- Wireless Communication and Sensor Networks
- Data, Computer and Network Security
- Blockchain, Bitcoin, Cryptocurrency Technologies
- Biometric Security
- Internet frauds and Cyber Crime
- Mobile/Wireless/5G Security
- Ethical Hacking

Interdisciplinary Topics

- Knowledge and Information Management
- Management of Digital Technology
- Information and Communication Technology
- Computer Aided Design and Manufacturing
- Content Management System
- E-commerce and Mobile Commerce
- Development of Assistive Technology

- Supply Chain and Logistic Management
- Management Information Systems
- AI in Business Management
- Social Science and Information Technology
- Digital Media Technologies
- Finance industry applications of AI
- Fraud detection through AI
- Environmentalism and Sustainability
- Business Process Lifecycle Management

Submission Guidelines

How to Submit Your Abstract:

•Before you Begin:
The corresponding author must collect and enter the following information for the abstract submission:
- Contact data - Correct spelling of first and last name, affiliation, affiliation country- Paper Title - Full paper title for the presentation- Paper Abstract - 250-300 words abstraction country - Paper Title - Full paper title for the presentation- Paper Abstract - 250-word abstract.

• Create your account. Your email address will be used as your username and you will be asked to create a password. Please be aware that the information you enter when creating your account will be used for official Letters of Acceptance, Letters of Invitation, and Conference Programmes, so please ensure correct spelling of names, filiated institutions, and so forth. Its mandatory atleast one of the author(s) must register by creating account in conference website.

• Submit your abstract (maximum 250-300 words).- Submit well before the submission deadline on or before 15 January 2024. You can submit the abstract by registering and submitting through https://conference.yuvakshetra.org/
